

# LMH TV - Get Switched On

*Pride in Our Homes, Proud of Our Neighbourhoods*

## About LMH TV

LMH TV is an exciting new project that offers our tenants the opportunity to get involved and play a key role in making online films that are relevant to LMH and our communities.

Run in partnership with tenantspin and FACT, LMH TV is aimed primarily at tenants who are out of work or looking for work experience and training in a creative industry. That's not to say no-one else can get involved - far from it. We are looking to involve as many of our tenants and tenant groups as possible to help develop skills and showcase our city's talent.

Alongside our main website, LMH TV will be a valuable interactive information resource for tenants wishing to keep up to date with key LMH activities. With the assistance of industry professionals, LMH TV will be run by tenants and for tenants.

## What will be broadcast

Foremost, LMH TV is a platform in which to showcase the talents of our residents. Through the learning of new media skills, we want our residents to have a say in what our neighbourhoods and communities want to see. We want films to be made by residents for residents that are engaging and raise important community issues.

As well as films profiling work taking place in our communities, we will make available our library of service information videos that will assist tenants on everything from booking a gas safety check to reporting a repair and much more.

As part of our aim to give our customers an insight into LMH and the day-to-day operations, we will also broadcast regular live streams of a range of open and departmental events, meetings, exhibitions and conferences, making them available to view for all. There's a lot going on at LMH and we want you all to be a part of it.

## Why get involved

We know that our city and its neighbourhoods have and always will produce fantastic creative talent. LMH TV as a project offers a great opportunity for residents wishing to learn and develop this in a professional environment and use these new skills in film-making and media to help gain employment.

New media training opportunities include, Digital Filmmaking, Citizen Journalism, Digital Storytelling and much more.

As well as offering hands-on professional training with a chance of college accreditation, LMH TV offers participants the opportunity to get involved with the community, residents and other like-minded people.

## How to get involved

Visit [www.liverpoolmutualhomes.org](http://www.liverpoolmutualhomes.org) to find out more and register your interest or email Ian Hunter at [ian.hunter@liverpoolmh.co.uk](mailto:ian.hunter@liverpoolmh.co.uk).
