## Travel Support & Advice

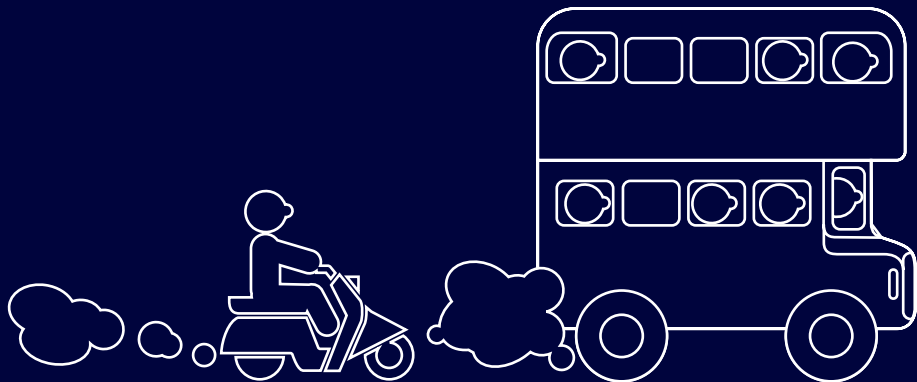

# Who are the Stepclever Travel Team

The Stepclever Travel Team is a Free travel advice and information service for all residents in the Stepclever areas of north Liverpool and south Sefton.

The aim of the project is to work with people from local communities to reduce the barriers that they may face in accessing employment and training opportunities, or the chance to set up sustainable businesses.

Our team is here to provide a variety of travel related services to residents and businesses in the Stepclever wards and improve their chances of entering training or employment opportunities or to help local business to improve staff retention and establish work place travel plans.

# What we can offer you

We offer support and advice to help people get to their workplace or training schemes.

This includes:

- **Super Scooters** – A low rental scooter for hire scheme for the first six months of training or employment.
- **Stepclever Wheels** - a low rental cycle to work hire scheme which will enable the user to travel the green and healthy way.
- **Personalised Journey Plan** – A detailed step by step guide on how to reach your workplace which includes what buses or trains to use, the times of the service, how long it will take to get there etc. You just give us your starting and finishing destination and we'll do the rest.
- **Help with Travel Expenses** – We can offer Stepclever residents financial assistance with travel costs, usually in the form of a travel pass for the, often financially difficult, first month of employment or training.

All our services are completely FREE of charge and it's easy to contact us!
